شرح کلی درس

General English is a 2 unit degree course, required for students of different levels and disciplines in medical sciences universities

The main objective is to improve the students' English language proficiency through their skills in the areas of reading, writing, listening, and speaking

Most exercises are aimed at enhancing students' flexibility in using English to express their ideas and to reinforce and refine their knowledge and skills on the basis of their previous information

وظایف فراگیر

Class will begin promptly at the designated schedule, please show courtesy ,and respect to your classmates and teacher by being on time, in your class

.Purchase your reading materials in time and have them with you in class

قوانین کلاس

"Do not share books and handouts with a friend
Do not leave the class in the middle, unless for an emergency
Turn off your cellphones in class and do not bring cell-phones to the exam room
Attendance Policy: Three weeks of absence is allowed, but if you must be absent, talk to the teacher
